To Whom It May Concern,

This letter is in support of Direct Energy Solutions who have recently installed LED lights into our school. We found them to be punctual, polite and unobtrusive in our environment. Direct Energy Solutions carried out our installation in a timely manner to a high level of satisfaction.

We would highly recommend Direct Energy Solutions to any prospective clients and would not hesitate to use their services should they be required in the future.

Yours faithfully,

(Mrs) S J Maihi QSM
